

ANNUAL CHAIR OF DEACON GATHERING

Volunteers in Action invites all of the area chair of deacons to come together for an evening of discussion about topics relevant to leadership, planning, responsibilities and challenges with leading a group of deacons. Experienced as well as first time deacon leaders are invited.

This is a great time to network with other deacon chairpersons. Please come ready to talk about your experiences, pick up new ideas and be encouraged in the important task that you have been called to.
